Exhibitor Information

One of the primary ways we encourage networking among Summit attendees is through our exhibit hall. The Correctional Ministry Summit draws hundreds of diverse attendees from several states across the US, and among them are also represented some of the most progressive and effective corrections organizations and ministries making a difference today. Survey results from previous Summits report that 95% of our attendees visited the exhibit hall and found it to be helpful, informative, and encouraging.

Exhibitor Profile

We seek a wide variety of organizations and ministries as exhibitors to promote opportunities, techniques, products, and services that will appeal to our attendees and equip them to be effective in their work. We offer three options for exhibit booths that vary in price based on location. Please see below for an exhibit hall map of table locations.

Shipping and Set-up

We will email detailed shipping information along with specific information for timing of set up and take down of exhibits.

Exhibit Table Locations

Premium Exhibit tables will be surrounding the Billy Graham Center Barrows Auditorium where the plenary sessions will be held. Preferred Exhibit tables will be located on the same level. Basic Exhibit tables will be located near classrooms where workshops will be held.
